

Banning High School  
**Booster Club**  
www.bhsboosterclub.org

## What is it?

The Banning High School Booster Club is a non-profit organization involved in supporting school activities through scholarships, awards, and financial contributions. Its membership consists of parents, faculty, alumni, and friends who are concerned with the recognition, achievement and expansion of learning opportunities for Banning High students.

## Who can join?

All parents are encouraged to get involved in Banning High School activities by joining and participating in the Booster Club. In this period of reduced school budgets, the existence of many activities that are essential for a complete educational experience are threatened. Many of these activities can be maintained and in fact, expanded with a healthy and supportive Booster Club. Please join us and give your children and benefit of your school involvement. It's fun to be a member of your family's time at Banning High School.

## How can we join?

Each membership costs \$10.00 per year, with \$5.00 an associate (son or daughter membership). Membership funds go into our General Booster Account to help promote all sport and activity programs at Banning High School. Membership cards will be handed or mailed to you after our next general meeting. Checks should be made payable to **Banning High School Booster Club** and mailed to:

Banning High School Booster Club  
1527 Lakme Ave.  
Wilmington, CA 90744

## When?

Meetings are held on Wednesday

## Where?

In the Choir classroom at 7pm.
